REPUBLICAN MEETINGS.

Look to the Legislature!

The Republican electors of this city are invited to meet *to-night*, in most of the Assembly Districts, to nominate candidates for the Legislature and to organize for the election. The meetings are called at 7 o'clock, and at the places named below:

1st and 7th Wards—Court House.
2d Ward—Old Mansion House.
3d Ward—Louis' House.
5th and 8th Wards—Niagara Hotel.
6th and 9th Wards—Rimmele's Hall.

These primary meetings ought to be fully attended. Our city needs capable and honest men in the Legislature. Let the Republicans, in each District, therefore, put forward their best men and rally to his support, heartily and unitedly.

Not less important than a judicious selection of candidates is the DUTY OF ORGANIZATION. In this city, where Sham Democracy is so largely in the ascendant, it is *indispensable* to a *fair* vote that the Republicans are *thoroughly organized, wide awake, active and determined.* Without this necessary preparation, *our* vote will not be polled, while numerous illegal votes will swell the Pro-Slavery majorities. We cannot better illustrate the absolute necessity of prompt and resolute *challenging* at every poll, than by stating the fact that at the election last fall nearly *One Thousand* illegal votes were kept out of the ballot-boxes, in this city alone, by the vigilance and determination of Challengers.

We urge our Republican friends, therefore, at their meetings this evening, to appoint, for *each* Ward, a *Working Committee* of active men, who will undertake to see to the *local* organization, the selection of *Challengers*, the timely supply of BALLOTS, &c., and two or three Delegates to a GENERAL CITY COMMITTEE, who will direct and superintend the work of preparation. These matters must be attended to *forthwith*, since the election is close at hand, and we have but *seven* days left in which to make ready.

Come then, Republican friends, to the meeting *to-night* and choose your standard-bearers and gird on your armor for the important contest of TUESDAY NEXT!

The Tactics of the Enemy.

LYING POLITICAL PAMPHLETS.

We received on Saturday, from friends in different parts of the State, copies in English, German and Norwegian, of a lying political pamphlet, which has been got up and circulated broadcast, by the leaders of the Sham Democracy. To say that this precious document, from beginning to end, is full of the most outrageous falsehoods, the grossest misrepresentations and the basest calumnies, against the principles, the candidates and the measures of the Republican party, is faintly to portray its villainous character. It rather exceeds, in malignant and unscrupulous mendacity, anything that the great "father of lies" himself has yet invented.

Commencing with the "democratic platform" and a sketch of Mr. CROSS, taken from the *Wisconsin* and *Free Democrat*, it next gives "a true portrait of A. W. RANDALL," embodying all the lies and libels which the *News*, *Argus* and other Barstow prints, have circulated in regard to that gentleman; proceeds to accuse Gov. BASHFORD of receiving $50,000 from the Chicago, St. Paul & Fond du Lac R. R. for signing the N. E. Land Grant, and avers that "the Hon. J. D. DOTY was present and an eye witness when the $50,000 were paid over to Coles Bashford"; pretends to describe how "Booth attempted a steal"; declares that the "Bribery Investigation" was "choked off" in the last Legislature, by the Republicans, when every man in the State, cognizant of the facts, *knows* that a majority of the Republicans *voted for*, while nearly all of the Democratic members voted *against* said "investigation"; and, after a number of like rascally falsifications, closes with a chapter on "niggers," in which the Republican party is abused, without stint, as the "nigger party," and the pious Christians, who drew up the document, thus define their position:

> Our Creator clearly never intended these two widely dis-similar races to fraternize; if he had wanted them to be one, he would have so made them—but he has placed, with his own finger, a *mark* of distinction, in color, intellect, physiognomy, and other strongly marked characteristics. Whenever these lines of demarkation are endeavored to be obliterated by amalgamation, the white race has been degenerated, enfeebled, and degraded, as a natural consequence. We want no negro equality, for it is a physical and mental impossibility; we want no political equality, for it would bring with it negro rulers, negro judges, negro jurors; we want no negro sociality, for it would degrade and brutify our race, giving negro husbands, and negro progeny to our fair daughters and sisters. We religiously believe it an insult to our Creator to suppose that he ever designed such disgusting amalgamation. The very thought would be unnatural, offensive and revolting to our natures.

It is quite unnecessary to say that while "Amalgamation" is unknown in the Republican states of the North where "Free Suffrage" exists, it prevails extensively in such purely "Democratic" States as South Carolina, where the "negro" is regarded and treated as an inferior order of Creation!

Can it be that the liberal, enlightened, conscientious, Christian People of Wisconsin will hearken to such slang as the organs and leaders of the Sham Democracy are now daily pouring into their ears!

The Rural Districts.

Republicans of the Rural Districts! Your opponents are counting upon your apathy as their guarantee of success in the coming election.—Their vote is concentrated almost wholly in the few large towns, where it can be easily reached and fully brought to the polls. Yours is, in a great degree scattered among thousands of Farms and Villages. It is harder to reach at any time, and at the present time there are many more causes than usual to keep men from the polls.

REMEMBER, however, that upon *your* vote depends the result in this State. Resolve then, *one and all*, to do your whole duty on election day!

SENATORIAL NOMINATIONS.—The Republican Convention for the Sixth Senate District, which met in this city on Saturday last, unanimously nominated DANIEL SHULTZ, of the Fourth Ward, as their candidate for the State Senate.—They could not well have made a better selection. Mr SHULTZ is an old resident of our city, a man of strong sense, excellent character and decided principles. He has heretofore represented the Fourth Ward in the Common Council, and after many years' faithful service in the Fire Department, was unanimously elected, last spring, to the responsible office of Chief Engineer. He will make an honest, capable and trustworthy legislator, and deserves the cordial support of all good citizens.

THIRD WARD DEMOCRATIC NOMINATION. At the Third Ward Caucus, Saturday afternoon, Ex-Alderman John Hayden was nominated as the "regular" democratic candidate for the Assembly. He has not a single qualification for the office. Whether the electors of the Ward will ratify the doings of the Caucus, remains to be seen.

DISASTERS BY THE LATE STORM.

Loss of the Steamer Reindeer, and 21 Lives Lost!—Numerous Wrecks, and great damage.

The Storm which raged over the lakes about the begining of last week, proved disastrous to many vessels. We compile from our exchanges the following record

The *Reindeer*, a sidewheel Steamer, owned by Holcomb & Henderson, of Montreal, and sailed from Chicago, on the 16th inst., with 13,000 bushels wheat, 61 bbls tallow, and some flour, for St. Joseph, where she was to take on some flour and then start for Kingston. She had a crew of twenty one, and two passengers. The name of the captain was Geo. Patterson, a Scotsman, who belonged to Kingston.

She was wrecked about 8 miles north of Pt. Sauble, and all on board lost but two fireman, who came to Pt. Sauble, and reported that they were the sole survivors of the entire crew,—she having been wrecked the previous evening. They stated that all day Monday a most terrific gale blew from S. W. S. suddenly shifting to all points of the compass, with a tremendous sea running. The steamer kept up pretty well all the forenoon, but in the afternoon, she shipped a heavy sea, which extinguished the fires, and the Captain had no recourse left but set the helm up and make for the beach. For several hours in the evening the hurricane and snow storm increased in fury, and it was utterly impossible to see or do anything. Those on board could only await with anxiety the fate which they knew awaited them. At length—somewhere about midnight the steamer struck, and almost instantly the sea broke over her, and washed the whole crew into the lake, where twenty one of them found watery graves.

The steamer went to pieces, and is a total loss with her cargo.

The schooner Alwilda, which left Chicago on the 14th for Dean's Mill's, near Twin Rivers, sprung aleak during the gale on Monday last, and as she was fast filling with water, the captain set sail for the shore, which she struck at Big Point Sauble on Tuesday morning. She immediately broke her back and went to pieces. It was with some difficulty that the crew reached the shore in safety.

The schr. *Stewart*, belonging to the L. N. Co. which left Chicago, with 8800 lbs beef, sunk near Old Mackinac.

Two sail vessels are reported lost opposite the South Manitou; the schooner *L. Whitney* is reported ashore on the east side.

The schr *Florence* is ashore in a bad condition near Muskegon.

Iowa Election.

Returns from 61 counties, many of them official, give 2,626 majority for LOWE, Republican candidate for Governor, over SAMUELS, Democrat. It is confidently believed that the remaining 20 counties will swell this majority to 3,000 or 3,500.

The Legislature stands:

	Rep.	Pro-Sla'y.	Doubtful
Senate	24	11	1
House	39,	25	10

The Republicans will have a majority of at least 18 on joint ballot.

This ensures another Republican Senator in place of Gen JONES, Democrat. Well done, Iowa!

Minnesota Election.

ST. PAUL, Oct. 19.

We have returns from thirty-seven counties which foot up Ramsey 7,456. Sibley 7,111. The counties yet to hear from, except Faribault and Waseca in the south west, are in the extreme north and north west.

LATER—THE SUPERIOR COUNTIES.

By the arrival at this port of the steamer Lady Elgin from Superior City, we are in possession of the following returns:

St. Louis county—50 majority for Ramsey. R. H. Carlton, Dem., elected Senator; John S. Watrous, Republican, Representive.

Lake County—20 maj. for Ramsey.

Buchanan County—Ramsey ahead.—*Chicago Tribune, Oct.* 24.

THE GREAT CALAMITY—TWENTY-TWO VICTIMS.—As developed by the testimony before the Coroner's Jury, it seems painfully certain that to the already reported list of nineteen victims to the late calamity, must be added the names of three others, all of whom perished in the lodging rooms in the fifth story of the building on South Water street, making four in all in that building to wit: Henry B. Russell, before reported; Frank Wetherbee, a young man in the employ of Stolz & Clark, as a painter and gilder; and two girls of the town, all of whom were probably overtaken by the flames, rendering escape impossible. The parents of young Wetherbee reside in Madison, Wis. It has not been deemed advisable to search for their remains, as from the intense fire which has consumed everything combustible in the ruins, doubtless no portion of their bodies could be recovered.—*Chicago Press.*

HON. J. F. FARNSWORTH.—We regret to learn that Hon. J. F. Farnsworth, member of Congress elect from this district, is sinking fast, and that no hope is now entertained of his recovery.—The circulation of blood in one of his lower limbs has entirely ceased and mortification has set in. Mr. Farnsworth's loss will be a serious one to the community.—*Chicago Tribune, Oct.* 24.

CITY MATTERS.

POLICE COURT, Oct. 23.

BEFORE CLINTON WALWORTH, POLICE JUSTICE

DRUNK—Lewis Lynch, fined $1.

DRUNK AND DISORDERLY.—Patrick Deverough fined $3, Robert Brown fined $3.

DISORDERLY.—John Williams and Augustus Holstein, fined $5 and costs each.

Robert McCarty was fined $10 and costs for violating the street ordinance.

MR. MULHOLLAND.—In our notice of Mrs Farren's farewell benefit on Saturday, the types led us to do an injustice to the gentleman whose name heads this paragraph, in crediting the part which he represented in the drama of the "*Wrecker's Daughter*," to Mr. MacFarland, whereas the latter did not appear at all in the play, and although a *good* actor, Mr. MacFarland seldom takes an active part in the performances, as the business management of the theatre occupies all his attention. All, therefore, we said in praise of "Mac" properly goes to the credit of Mr. Mulholland, for whom it was intended, and who justly merits more than we have said in his favor. In the plays presented last week at Metropolitan Theatre, in which Mrs. Farren and Mr. Mulholland appeared, we were often at a loss to decide whose part was most perfectly represented. Tragedy is his particular part, and in it he excels. With a fine voice, a powerful, physical and expressive countenance, together with good taste and much cultivation, he possesses all the requirements of an actor of the first stamp.

THAT "CHALLENGE."—The challenge sent by Engine Co. No. 1, of this city, to No. 1 of Janesville and No. 2 of Beloit, to play for a wager of $200 at Whitewater, has not been accepted. In lieu thereof, the Janesville company and the Beloit company have each proposed different terms, places and conditions—the Janesville company proposing that the trial shall be had in their city and the Beloit boys claiming that it shall come off there. As neither seems willing to meet No. 1 of Milwaukee, on neutral grounds and equal terms, the proposed match will doubtless fall through, and it is just as well that it should.

WISCONSIN FRUIT.—We received on Saturday, by the hands of our friend, Col. John White, some superb samples of apples, raised by Mr. W. P. Cosgrove, at Kenosha. Mr. C. moved from Milwaukee to Kenosha some fourteen years ago, where he has gradually built up for himself a most comfortable homestead, surrounded by one of the finest Fruit, Flower and Vegetable gardens in the State. Mr. Cosgrove takes a lively interest and feels great pride, in raising the best of fruit in Wisconsin soil, and the specimens we have referred to are abundant witnesses to his success.

City Taxes.

MESSRS EDITORS:—I am told by one of our Aldermen that the City Tax about to be levied for this year will be NEARLY DOUBLE what it was last year! The *valuation*, as all know, has been raised, while the per centage of tax is not to be materially reduced. Our burdens have been heavy enough, for some years past, and if, in these hard times, they are to be *doubled*, it will go nigh to break our backs. I begin to think that a "Democratic" City Administration is a most costly luxury, and ought to be summarily retrenched.

A TAX PAYER.

Milwaukee, Oct. 24

MILWAUKEE CITY BAND.—In our notice of this Band, which appeared so well and gave us such good music, on Thursday, at the Fire Department Review, we stated that it was formerly known as Knoll's Northwestern Band. This is an error. It was heretofore known as "the Battalion Band," but, with it new uniform, new instruments and additional members, has adopted the name of the "Milwaukee City Band."

THE FIRE DEPARTMENT.—In our account of the trial between the several Engines of our city, at the recent Review of the Fire Department, we stated, as we were informed by the Judges, that in playing from suction, through 150 feet of hose, "Nos. 4 and 5 were adjudged to be the best." The *precise* fact is, that the Judges decided No. 5 to be the best and No. 4 the second best.

HOW ARE THE WIND AND WEATHER?—The Buffalo *Commercial* of the 22nd makes the sensible suggestion that to the daily telegraphic reports for the press of the markets, &c., at the various Lake Ports, there be added a line giving the wind and weather. The information would be useful to merchants, forwarders and others, and could be furnished without additional cost, or trouble.

BARLOW'S IMPROVED CIRCULAR SAW.—The attention of those interested is directed to the advertisement in to days paper, touching the sale of rights in Wisconsin, &c. The *Scientific American* (Nov. 17) pronounces the improvement the greatest one, has yet seen in circular Saws, and other competent authorities concur in this opinion. For Rights in Wisconsin and Minnesota, Iowa, and Missouri, application must be made to OTIS SHEPARD, Chicago.

A Valuable Work.

We learn that Messrs. Smith, DuMoulin & Co., Publishers of the "Wisconsin State Directory," have commenced the canvass for a work entitled "The Milwaukee Business Mirror and Stranger's Guide," to be issued on about the 1st of January, 1858, bound in a neat and convenient form, for either office or Counting House use.

The work is intended to be the first of a series of annual publications, interesting to the stranger as well as resident, showing the growth of the City, and other various matters of interest, as will be seen by a table of contents appended.

The book will contain an accurate compilation and alphabetical arrangement of the different Trades, Branches of Business, and Professions under their appropriate headings, thereby being a Mirror of business people, and business interests of our growing and beautiful city.

The work will be a thorough one, giving the name and location of each person transacting business on his own account.

Another department of the work will contain all matters of information and interest in relation to our city, such as State and City governments in their various branches, and committees, courts, and all matters appertaining to the judiciary, Custom House regulations, Board of Trades Bank locations, Officers, Directors and Capital Bankers, Insurance Companies, Rail Roads with line terminus of route, time of departure of trains, arrivals and connections; Steamboat lines and routes, Public Buildings, and all items of information in relation to our Educational Institutions, Churches, Secret, Beneficent, Religious and Charitable Associations, Hotels and Omnibus Routes; also, facts in relation to the Commerce of Milwaukee, appended to which will be found an accurately arranged Street Directory, giving the names of the various streets, with their intersections, thereby materially assisting the stranger seeking any particular locality.

The book will be printed upon fine paper and bound in a neat and convenient form, for reference and daily use.

As this work is intended as a correct and faithful representation of our city, its business, wealth and peculiar advantages, the Publishers confidently rely upon the liberality and enterprise of our citizens for patronage and support.

Price of the work will be $0,75, and advertisements will be inserted on liberal terms.

HOW TO PRESERVE BEAUTY.—Nothing is more becoming to a man or woman than a beautiful luxuriant head of hair, and a woman's beauty is certainly incomplete without a fair complexion, and he or she who neglects these great and important adornments of nature must expect to suffer the mortification of premature baldness, a wrinkled face and a yellow skin. Nothing is necessary to preserve these essential attractions but the use of *Prof. Wood's Restorative.*—*Louisville Times.*

PROF. WOOD'S HAIR RESTORATIVE.—We have had occasion to use this famous preparation of Prof. Wood's, and after thoroughly testing its qualities, we find that where the hair is thin it will thicken it, if gray it will restore it to its original color; likewise it gives a glossy appearance as well as keeps the hair from falling off. This invaluable ingredient is for sale at [illegible] Tea Store, south [illegible] corner [illegible] streets by [illegible] G. Biren.—*Bolt. Clipper.*

Last year to Oct. 28:—	120,255	2,037,921
Increase,	45,311 Inc.	15,910

The receipts of the corresponding week last year were of wheat 215,545, and the shipments 2,180 bbls flour, and 85,759 bus wheat.

The past week has exhibited very little improvement in business. There is a marked falling off in the receipts of merchandize usual at this season, both for city merchants and to go to the interior, showing that in view of the close times tradesmen are buying less for their winter stocks. In produce, prices show a falling off, and the quantity arriving is greatly less than usual at this season. The increase of shipments of flour and wheat for this season over last to date is about 240,000 bushels of wheat.

Freights have not advanced as much as vessel owners would like, but sufficiently to induce the engagement of vessels which had been laid up, and at the same time to cause buyers of wheat to hold back in their operations.

Messrs. BRIDGE BROS. quote land warrants scarce and in good demand at the rates of last week, viz:

160 acre warrants..........93

80 " "..........98
40 " "..........1,10

They quote specie as follows:

Commerce of Lake Superior.

Only about a score of years ago, the good schooner *Algonquin* sailed from this port, was hauled across the Portage of Saut Ste Marie by a party of enterprising Clevelanders, and launched upon Lake Superior. She was the first craft from the lower Lakes—the pioneer of a commerce that has already grown into commanding importance.

Mr. Burt, Clerk of the Saut Ship Canal, has furnished an official statement of the number of steamers and vessels that have passed the Canal from the opening of navigation the present year to the 1st of October. The whole number is 306. During the time 18 propellers and 65 schooners passed down loaded with iron ore from the Marquette iron mountains, having on board an aggregate of 23,528 tons; and 22 steamers, 23 propellers and 8 schooners, having on board an aggregate of 4,966 tons of copper.—*Cleveland Herald.*

LARGE WHEAT TRANSACTION.—One party yesterday bought thirty-five thousand bushels of wheat, mostly for this city. Two others brought over four thousand bushels each. The prices closed on Thursday at 80 cents, and yesterday advanced to 82. The Buffalo people are unusually heavy in welcoming our millers to their city.—*Rochester Dem.*, 14th.

What of Yeh?

What is the nature of the news,
The latest news from China,
I'll tell you what it is, although
I'm not a "penny a liner.

They tell us for a fact that Yeh
Is rather cramped for money,
And I'll be bound that he begins
To feel a little funny.

Yet be the tidings what they may,
(Which tidings we regret,)
The growth and sale of *Tea* have not
Been much affected yet.

M. & P. have had no need
To sell Inferior *Tea*,
Their Black and Green have proved the best
That possibly can be.

Nor have they had to raise in price
The Teas which they supply,
The Teas of M. & P. are cheap
As you can wish to buy.

Then heed not what we hear of Yeh,
However good or bad,
While Teas both good and low in price,

WITHOUT QUESTION

The Great Book of the year is the new Tale by the authoress of the "Lamplighter,"

"MABEL VAUGHAN."

MISS CUMMINGS, the authoress, has written a story which, for elegance of diction and thrilling interest, has rarely been equalled by any American lady. The question has been repeatedly asked—can Miss Cummings write another book equal to "the Lamplighter?" We can answer this question now with perfect assurance, not only from our own personal knowledge, but from the unqualified testimony of the literary gentlemen of Boston, who have read the work with great care both of whom pronounce it a superior book to the first, and that it will add immensely to her previously well-earned and world-wide reputation. It is a handsome volume of 500 pages. Price $1,00.

ONE WEEK TO ELECTION!

REPUBLICANS OF WISCONSIN!
Are you Ready?

On Tuesday of next week, November 3d, the People of Wisconsin are called upon to choose their state officers for two years from the 1st of January next. It is well known that, with the single exception of the Governor for a portion of the term of office about to close, the Sham-Democracy have, so far as the state officers could do it, had the full management of the affairs of state for several years. The management of the Treasury, the School and University Lands, and the Educational interests of the state, has been in their hands entirely, and in their hands the Treasury has been plundered—the magnificent endowment of our School and University Fund has been wantonly squandered—the department of Public Instruction has been grossly mismanaged and neglected. These facts are patent—every man in the state who knows its history, knows that they *are* facts. So that the question now presented to the people is, whether they wish to have the Plunderers of the Treasury—the Prodigals of the School Fund—the inefficient conductors of Educational affairs—continued in office for another term—we say *continued*, for the democratic candidates are the candidates of the faction of that party which is responsible for the wrongs named above—or whether they choose rather to wipe out from the Capitol the whole crew which has so disgraced the state—keep out their proposed legatees and representatives—and place in office just and upright men.

PEOPLE OF WISCONSIN! WHICH WILL YOU DO?

Entirely aside from any question of State politics, and above all questions of dollars and cents the people of this State owe it to themselves and to their brethren in other States, to keep firmly to their noble position on the great question of HUMAN FREEDOM, which has swallowed up all other issues between the parties. The late position of the U. S. Supreme Court on the subject of Slavery—the declaration of President Buchanan, the head of the Democratic party, that Slavery goes, of *course*, by the Constitution of the U. S., into all the Territories—the hearty endorsement of this infamous doctrine by the democratic papers, party leaders, and Conventions, throughout the North even, show the boldness with which the attack on the Nationality of Freedom is made, and call for the personal efforts of every man worthy of the name of a Freeman, and worthy of a residence in this noble State, made free by the Jeffersonian Ordinance of 1787, to make sure, next week, of a righteous verdict by the People on the issues to be tried.

PEOPLE OF WISCONSIN! WILL YOU A TRUE AND A HEARTY VERDICT GIVE FOR THE CAUSE OF FREEDOM?

The candidates presented by the Republican State Convention for the various offices to be filled, are abundantly qualified to serve the people honestly and faithfully in the several posts to which it is proposed to assign them; and on the great National Issue, they are true as steel, worthy representatives of the cause of Freedom.

In ALEXANDER W. RANDALL, our candidate for Governor, we have a democrat and a Republican from principle, a man who had the courage to leave his party when it deserted the cause of Freedom—who is capable and honest, and faithful to the Constitution—who long since set himself in opposition to the plunderers of the Treasury and the School Fund, and by his steady opposition to them has gained their fiercest hate, and who has therefore been foully and wantonly calumniated by them, by newspaper articles, speeches, and lying pamphlets scattered throughout the State. As between Mr. RANDALL, a true Republican and the steadfast opponent of Corruption, Robbery and Frauds, and Mr CROSS, a Hunker Democrat of the strictest pro-slavery sect, and the steady supporter and candidate of the men who have disgraced the State by such wrongs, WHICH WILL THE PEOPLE CHOOSE?

For Lt. Governor, CARL SCHURZ, an able, accomplished, and eloquent German Republican, is presented for your suffrages. He has been *tried* in the cause of Freedom, as few men in these modern days have been tried, and has not been found wanting. He possesses all of the qualifications needed for a prompt and able discharge of the duties and incidents of his office. People of Wisconsin! give CARL SCHURZ your cordial support—he is worthy of every exertion. Many of you have heard his stirring tones in this campaign in behalf of Freedom In his own language, Freemen of this State:

You are wielding yet the formidable mace of self-government. Lift it high and throw it down with a crushing blow on the head of the serpent!

JOHN L. V. THOMAS, of noble old Rock county, was presented by her delegates for the office of Secretary of State. The qualifications politically, and especially for the office for which he is presented, of a man endorsed by that steadfast old Republican county, cannot be doubted. We owe it to Rock to do honor to one of her sons.

For Treasurer, the name of SAMUEL D. HASTINGS appears on the ticket. An old resident of the State long identified with the cause of Humanity and Progress—a true and steady friend of the People's Rights—a man of spotless personal character—of sterling integrity—he is just the man to entrust with the people's funds, and they may be sure that he will render a true account of all.

MORTIMER M. JACKSON, for Attorney General, represents the steadfast ingrain Republicanism of the south-west counties. He is one of the ablest lawyers in the State, has filled with honor a seat upon the Bench, and politically is always *true*, and always *right*.

The incumbents of the three offices last named constitute the Board of Commissioners of School Lands. PEOPLE OF WISCONSIN, we put it to your consciences—under which three Commissioners do you think the affairs of that sacred educational fund would be best and most honorably managed—under THOMAS, HASTINGS, and JACKSON,—or under JONES, the present Secretary, who by the confession of his own partizans has wasted $150,000 in the northern sales this season—HABICH, who was in the office, and cognizant of the daily plundering of the Treasury by the Barstow crew, yet gave no sign—and BEUCK, who, being nominated to help out the democratic ticket, may be presumed to acquiesce in the policy of his associates?

For Bank Comptroller, we present the name of JOHN P. McGREGOR—a man of whom it may be said that he has no enemy—against whom the most unscrupulous have not ventured to bring a single charge all through this campaign—a man of eminent ability for the office—of scrupulous honesty—of principle—of experience in the management of financial affairs. What more can, or need, we say for him?

For Superintendent of Public Instruction, the Convention placed before the people the name of JOHN G. McMYNN. Regarding this office as one of the very first in importance, we have devoted more than usual space to it, and have given again and again our reasons why Mr. McMynn should be elected. He is a true Republican, and thus worthy of his place upon the ticket, but he is not an active partizan, as his soul is engaged in the work of popular education. We *know* him to be eminently fitted for the position; and we also *know* as well that his opponent, Mr. Draper, is absolutely unfit for the work to be done in that office, though we respect him highly as a man and a useful citizen. There is not a school district in the State which is not now the worse for the inefficiency and neglect of the previous incumbents of the office—not one which would not soon feel the benefit of the supervision of such a man as Mr. McMYNN.

Last on the ticket, but none the less truly a Republican, and no less qualified and worthy, is EDWARD M. MACGRAW, of Sheboygan, the candidate for State Prison Commissioner.

PEOPLE OF WISCONSIN! again we remind you, and for those whom our voice reaches through our Weekly issue,—the sturdy yeomanry of the country, whose hearts beat warmly for Freedom, who earn the money which fills State Treasuries, whose children participate in the blessings of the School Fund—this is our last chance for appeal—that a great issue hangs upon your conduct on Tuesday next. Our State *can* and OUGHT to give a very large majority for Freedom and an honest management of State affairs; but if apathy prevails among the voters on our side, (it is not likely to prevail on the other) Wisconsin may be disgraced by giving a majority for the miserable sham called in these days "democracy."

REPUBLICANS OF WISCONSIN! AGAIN WE SAY, TO YOUR POSTS OF DUTY!

Libels upon Judge Randall.

The *American*, which makes daily and hourly protestations that "truth guides its pen," and which claims to have abandoned Republicanism because it could not "conscientiously" (!) "lie, or howl for party effect," publishes, in its Saturday's issue, a string of the meanest and most malignant calumnies against Judge RANDALL, that have yet disgraced the democratic press. We copy a few specimens, that our readers may see to what depth of detraction the *American* is not ashamed to stoop:

TELL YOUR NEIGHBORS that A. W. RANDALL, while Post Master, squandered all the public money that he received, in gambling and riotous living, and was a defaulter to the tune of $700

TELL YOUR NEIGHBORS that his bondsmen paid that amount for him, and with the assistance of our delegate in Congress saved him from the Penitentiary.

TELL YOUR NEIGHBORS that it is a notorious fact in Waukesha that his opponents often buy him off cheaper than they can employ other counsels in suits at law.

TELL YOUR NEIGHBORS that he may be seen every week in the year playing cards in the lowest groggeries of Waukesha, for the whiskey or cigars, and often leaves without paying his bill.

TELL YOUR NEIGHBORS that he is a spendthrift and a gambler, and that he now owes large amounts for money borrowed to gamble with.

TELL YOUR NEIGHBORS that if he is elected Governor, and they have any friends in the penitentiary, they can probably buy a pardon for them at his usual rates.

There is not a single grain of truth in all this mountain of falsehood. No honorable man would lend himself to such a warfare and no respectable newspaper would so demean itself as to publish these infamous slanders. The *American*, in its better days, would have scorned such dirty business, but since it sold out to the *News*, it seems to have lost its own self-respect as entirely as it has forfeited the good opinion of the public.

Nominations.

ROCK CO.—A. J. BENNETT is the Republican candidate for Senate in the 18th district.

J. Hackett, of Beloit, is nominated for Assembly by the democrats of that district, EDGAR CONKLIN, in Brown Co., and WM. PORS and E. S. TURNER in the 1st and 2d districts of Ozaukee Co.

F. S. LOVELL, who so ably represented the Kenosha Assembly district last winter, is nominated by the Republicans for re-election.

IN LOVE WITH "RENEGADES."—"It is instructive to remark" that the *News*, which has had so much to say about Republicans nominating "renegade democrats" for office, is in raptures with the "Democracy of Kenosha" for nominating a "renegade Republican," (Mr. E. W. EVANS) who has just come over, for Senator! It *does* make a difference "whose ox is gored."

For the Daily Sentinel.

Next Election Day.

A storm is brewing in the North,
A struggle for the rights of men;
Freemen their counsels now send forth,
O'er mountain top, thro' every glen.
Beneath the tree
Of Liberty,
Consolidate your Spartan band,
Armed to avenge a suffering land,
ON NEXT ELECTION DAY!

The masses come from hill and glen,
The ship of State they'll see set right,
At at her helm place honest men
Who'll put "the forty thieves" to flight.
By the old tree
Of Liberty,
We pledge our lives, and fortunes too,
That not a scoundrel shall go thro'
ON NEXT ELECTION DAY!

Soon sons of toil cast freedom's vote;
The working men are freedom's band;
Loud o'er the din sounds freedom's note,
Wreathing with smiles a rescued land.
For round the tree
Of Liberty,
They gather a resistless throng,
Pledged to redress a people's wrong
ON NEXT ELECTION DAY!

We'll choose for our Chief Magistrate,
An honest man, of unbought soul;
For all our officers of State,
Just men, who will for us control
Our garnered wealth,
And not by stealth
Despoil our funds—then basely tax us,
And leave their knavery long to vex us,
AFTER ELECTION DAY.

Doughfaces fear that choosing day
And cower before the gathering throng,
For freemen now shall fair play,
To strike their magic power on wrong.
And from the tree
Of Liberty
They'll wave their legions to the fight,
And put this doughface clan to flight
ON NEXT ELECTION DAY.

We'll never yield to Slavery's nod,
The boon by our forefather's given,
But firmly, in the fear of God,
Our free votes cast in fifty seven.
And the old tree
Of Liberty,
Her banner waves o'er victories won,
When free votes their good work have done
ON NEXT ELECTION DAY!

Burlington, Wis, 1857. Y. Z

The Complaint against Mr. McMynn.

The anonymous correspondent of the *News* who, writing from Racine, charged Mr. McMYNN with "possessing a most violent temper, being a "Nero," a "Caligula" &c., and quite despotic and inhuman enough to use "thumb screws," if they were in fashion, has been driven from his covert by the sharp replies which his attack provoked, and appears in Saturday's *News* over his own signature, T. B. LACEY. This gentleman occupies a column of the *News* in a lengthy and labored effort to make out a case against Mr. McMYNN. But he fails utterly and hopelessly, as any man will say who has the patience to read through his letter. Taking Mr. LACEY's own version of the matter, the facts were simply these:

A son of Mr. LACEY's absented himself from School to attend a Circus. Upon coming to school again, the subsequent day, he was informed that under the rules of the School he could not be admitted without an excuse from his parents and a statement that they did not intend to interfere with the regulations. Mr LACEY, indignant at such a requisition being made upon him, appealed to Mr. McMYNN, and *all* that Mr. McMYNN did, or had to do, with the case, was to write the following civil and proper note:

> HIGH SCHOOL, May 8th, 1857.
>
> MR. T. B. LACEY:—
>
> DEAR SIR—In reply to your note, just received, I will state that I understand "the boy," your son, was *unnecessarily* absent from school on Wednesday last. I think the teacher having him in charge, has been directed by the Superintendent not to admit him as a scholar until some assurance is given that he will not be detained from school again without a good cause.
>
> It would seem to me, that you would do well to see Mr. STEARNS, as he has the matter in charge, and Miss SANFORD is acting under his directions.
>
> With respect, yours,
> JOHN G. McMYNN.

The boy was in Miss SANFORD's department, who acted under the orders of the City Superintendents, Mr. McMYNN having nothing whatever to do with the matter. And this is the sole ground of Mr. LACEY's attack, which the *News*, *Argus* and other party papers made haste to publish and endorse! It is clear that Mr. McMYNN was wholly blameless in the matter, and did what any other Principal of a Public School would and should have done. The only evidences of "violent temper, strong prejudices, and unyielding opinions," that *we* can discover in this case, are those manifested by Mr. T. B. LACEY.

"GOING THE WHOLE."—The Sham Democracy in Washington County copy closely after the *News*, in their general charges against the Republican Party. At their recent Senatorial Convention they resolved, among other things, that the said party had "robbed our Treasury, ruined "our Railroads and doubled our taxes." Considering that "our taxes" have not been increased *one dollar*, under Republican rule; that the Republican party have had nothing whatever to do with the management or mis-management of "our Railroads," and that the only instance in which "our treasury" has been "robbed," was under the late administration of "Barstow and the Balance," when the Democratic State Treasurer, Mr. JANSSEN turned up a defaulter to the tune of *thirty-five thousand dollars*—considering these facts, the charges of the Washington County Democracy may well be set down among the most extravagant political fictions of the day.

"A BEGGING FOR VOTES."—The *News* chronicles with approval the proceedings of a Democratic meeting in the Third Ward which was addressed by U. S. Collector SCHOEFFLER, District Attorney MALLORY and State Prison Commissioner McGARRY. The latter occupies an important office, the duties of which would seem to require his presence at Waupun, instead of Milwaukee. The *News* which was and is exceedingly wroth with Judge RANDALL for "going around the State a begging for votes," has not a word of rebuke for Mr. McGARRY who has left his post and abandoned his duties, to do the same thing.

Waushara County Nomination.

WAUTOMA, Oct. 21. 1857.

MESSRS. EDITORS:—The Republican County Convention met here to-day, to nominate a candidate for Assembly. All the towns were represented except one. The first informal ballot was as follows:

Wm. C. Webb,	27
Charles White,	17
George Howley,	3
A. J. French,	4

On a second informal ballot, WEBB received 29 votes, and WHITE 22.

A formal ballot was then had, and Hon. W. C. WEBB, of Wautoma, received 29 votes, and was nominated. The nomination was declared unanimous, and resolutions were passed pledging a hearty support to the candidate, and to the Republican State ticket.

The old question of a division of our county, by first annexing a part of Marquette county, will enter into the canvass for Assemblyman, and we shall have a warm time, as usual. Mr. Webb is opposed to any and every project which has been, or can be started, for the purpose of changing our territorial boundaries. The friends of annexation and division will run a candidate, and will bring into the canvass every feeling and every interest which will serve their purpose.

Our county is good for at least 1,000 majority for the Republican State Ticket.

Yours, &c.. G. H.

FORTUNATE RESCUE.—The Toledo Blade states that the propeller Ohio, Capt Evers, on her last trip up from Buffalo to that city, when about six miles off Cleveland, on Sunday, picked up four boys clinging to a capsized small boat and took them to Cleveland. The boys had been in the water some seven hours, when thus fortunately rescued.

THE NEBRASKA "BANKS"—The Iowa papers are just now overhauling the late bogus banking concerns in Nebraska, and exposing the swindling game by which they were operated.

Iowa has been flooded with the bills of those bogus institutions, which constituted the main currency of late months in the western and southern portions of the State; and thousands of these bills were in circulation at the time of their explosion.

Cause of Mr. Porter's Defalcation.

When it was announced that Mr. Porter, Corresponding Secretary of the American Sunday School Union, a man of simple tastes and habits, with a salary of $2,000 a year, was a defaulter to the amount of nearly $90,000, everybody asked, "what has he done with the money?" We stated a few days since that a part of the acceptances were made to accommodate a friend, who was a paper dealer. But this left over $50,000 yet to be accounted for.

The Philidelphia *Pennsylvanian* of last week states another fact that throws light upon the mystery. Twenty years ago Mr. Porter went into the *morus multicaulus* speculation, which it will be remembered, was going to enrich so many people all of a sudden. He used the funds or credit of the Sunday School Union. He lost like the rest of his neighbors. Finding that he had sunk $10,000 of money not his own and not having the courage to confess his delinquency, he used the credit of the Society—being authorized to give acceptances in its name—to meet the debt and the interest.

He has been for doing this for twenty years—the amount of course growing all the time.

If this statement is true, it shows most impressively the folly of trying to right one wrong by another, and the infatuation of a man who once begins to try to financier himself out of difficulty.

Whiskey Root—Southern Product—Drying Whiskey—A Dram's a Drachm—A "Buck-load" and "A Passel of Whiskey"—Dealers and Consumers—One of the Benefits of the Kansas and Nebraska bill.

RANCH NEAR CORPUS CHRISTI, TEXAS,
September 19, 1857.

MY DEAR PIC: Some time ago I wrote you that there was such a thing in this country as a "whiskey root;" you disbelieved; I took offence, and now take my revenge by sending you the specimen. It is what the Indians call "Pie-o-ke" (as near as I can spell the pronunciation). It grows in Southern Texas, on the range of sand-hills bordering on the Rio Grande river, and in gravel, sandy soil. The Indians eat it for its exhilarating effect on the system, producing precisely the same as alcoholic drinks. It is sliced as you would a cucumber, and thin small pieces chewed, the juice swallowed, and in about the same time as comfortably tight cock-tails would "stir the divinity" within you, this indicates itself; only its effects are what I might term a little more *k-a-v-o-r-t-i-n-g*, giving rather a wilder scope to the imaginations and actions. It can be sliced and dried, and in this way the Indians preserve it, then parch and serve it up as coffee and tea.—It is evidently of cactus species, as it resembles that more than any other plant. I have never seen this particular root mentioned in any work, and believe these—and specimens I sent to the editor of the Southern Cultivator—to be the only specimens sent from the State. I wish you would have these analysed, and publish the result. I would do this myself, but for two reasons—1st, I have no crucibles, chemical tests, or conveniences for accurately making the analysis; and 2d, even if I had, I dont know how to do it.—If, therefore, under these disadvantageous circumstances, I were to make the experiment, the result could not be relied upon as a chemical certainty.

This plant is suggestive of much reflection to the Southern man; it is a Southern product, and as such I am disposed to patronize it.

From its growing only among the rocky hills, its life is a hard one, and, as such, I'm disposed to sympathise with it.

It being of home manufacture, we can supply ourselves cheaper than sending to the North, or elsewhere.

And just think of the advantage of a fellow *hanging out his whiskey to dry!*—a most decided improvement.

Think of the convenience of calling for a *bushel of whiskey!* for it's going to knock wet measure into dry, thus—say a bushel is 56 pounds, 16 ounces in a pound, and 16 drachms in an ounce. This would give 15,333 drachms to the bushel; or a bushel would give one man 15,333 drams, or give 15,333 men one dram each. And you can thus conveniently calculate from a single private individual up to a whole family, or, to a—"general muster."

It is going to benefit the dealer; for it settles definitely the question what a dram is. But now some men say, "just pour me out *very* little;" another will say, "give me a *buck load*," which means five fingers on a tumbler, as that is the measure on his ramrod for a "buck load;" and yet another will say, "I'll take a *passel* of whiskey." Under this new "Southern institute" a dram's a drachm; and if one dram is not sufficient to line all the coats of his stomach, he can just say "duplicate," or, "cut me off another peck," or "half-bushel," according to the size of the stomach.

It will be a great convenience to the consumer; for he can send a wallet and a tapestring measure of how much he pelts around the stomach, and the dealer consults his "table of measures," and fills the order. Suppose, for instance, a party of three gentlemen wish to go fishing and want whiskey, their order would read thus:

"*Mr. Whiskey-Straight:*

"Sir: Please send whiskey for party; two days; 3 men; measuring 39, 47, and 33—tight.

"Yours, in spirit and in truth,
RUM ONE."

"N. B. See it well up in the bag, and don't throw it loose on Joe's saddle, as he is apt to *drop some on the road.*"

The discovery of this valuable product totally refutes the Northern fanatics' asserting that "the South cannot subsist without the North." It never grew, in luxuriance, until after the passage of the Kansas and Nebraska bill—which leaves to the people the right to form their domestic institutions in their own way.

But I send it to you as a botanical novelty, and shall remain in a state of excitement—I have some of it dried—until I hear the result of the chemical analysis. Yours, &c

THE COLONEL.

IMPORTANT TO THE LADIES.

I HAVE JUST OPENED an invoice of goods which are too good to sell at auction; I therefore will sell them at private sale, at 20 ⅌ cent less than what they are worth, and 20 ⅌ cent less than you can purchase them in the city. The goods consist of White Shaker Flannels, Colored Flannels, Twilled Flannels, some French Merinoes, some all wool Delaines, Silk Velvets, &c. The assortment is not very large, but what there is is of superior quality.

I have also just opened, one case, consisting of twelve Ladies Fall and Winter Cloaks, latest style, to be sold at great bargains.

oct6 CALEB WALL.

City Auction Room.

ANY ONE who has a good stock of Dry Goods, I will trade Pine Lake Farm for them, with all its stock, furniture, &c., and if the stock of goods is very large and is worth more than the farm, I will pay the balance in money. Or I will exchange said farm for good improved city property, or I will sell the said farm for good mortgages, running 1, 2, 3 years, or I will exchange said farm for Mil. & Miss. R. R. stock. Here is a great chance for some one to get a good home, one and a half hours ride on the cars from the city, with everything that one's heart should desire, with a good house and splendid barn, which would rent in Milwaukee for six hundred dollars a year.

CALEB WALL.

N. B.—If the said farm is not sold in thirty days, I want a good, honest, quiet man and his wife to take care of said farm and all the stock through the winter, and probably when the spring comes I may conclude to keep the farm. So a chance for some one to get a comfortable home for the winter. I do not care what country they are from, but will require good references.

oct6 CALEB WALL.

AUCTION SALE OF LOTS in the 6th Ward, Wright's addition, adjoining Sherman's. This well known addition has been placed in our hands to be disposed of to those who desire to build and improve.—The confidence which we feel in the intrinsic value of this property, and the knowledge we have of the demand which exists for it, induces us even at this time to offer it at Public Auction.

Every resident of the ward is perfectly familiar with the location of these lots. They have hitherto been kept out of market by the owner, notwithstanding the superior advantages which they offer for residences, but the growing demand for them and the desire to improve the value of the residue of the property, induces him to offer a portion of them on terms which will induce others to come on and purchase, so that both he and themselves may benefit by the enhanced value which will be given by their improvements. The size of the lots, 50X120, is of itself a great consideration to persons building, as it affords space for raising cabbages and other vegetables, which will repay the labor bestowed on them. The sale will take place at our office on Michigan Street, at 10 o'clock in the forenoon of the 20th inst.

LESSONS IN
Foreign Languages.
MR. AND MRS. A. S. B. DE CRETY, from Paris, for four years past instructors in foreign languages in Milwaukee, have the honor to inform the public that they will form classes in the French, Italian and Spanish Languages on the 1st of September next. The course of instruction will be according to the age and intelligence of the pupils, and the classes kept entirely separate, their house being arranged with that view.
Gentlemen and ladies who begin to speak either of these languages, can receive lessons in Reading and Conversation, Mr. De Crety furnishing books of the best French authors. Those too wishing to learn vocal music in either of those languages, will find a competent music teacher in the establishment.
The hours of instruction will be from 8 to 11 o'clock A. M., and from 2 to 5 P. M., And in the evening from half past 6 to 8, for conversation.
Mr. DE CRETY will also give lessons in French, Spanish and Italian, at his office, to gentlemen only, from 7 to 10 o'clock in the evening, as also lessons in Fencing, the use of the Sword, and all military exercises. Persons of delicate constitution and feeble temperament, as also those confined to their offices and engaged in sedentary pursuits, will derive from these exercises, improvement in their health, acquire strength in their limbs and find an agreeable recreation.
Mr. De Crety will also form similar classes for children, from 10 to 15 years old, at his house, or office, as parents may prefer. Fathers and mothers who desire to see their children strong, active and robust, can judge for themselves, after a few weeks trial, as to the effect of these different exercises upon their health.
The continued patronage of the public is respectfully solicited.

To MERCHANTS.—Mr. DE CRETY will take charge of French correspondence to all the principal cities of France and will procure all Price Currents that they may want.

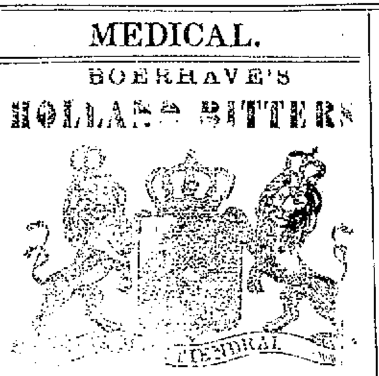
BOERHAVE'S
HOLLAND BITTERS



THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS
LIVER COMPLAINT,
WEAKNESS OF ANY KIND
and the various effects of consequent upon a disordered
STOMACH OR LIVER
Such as Indigestion, Acidity of the Stomach, Colic Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous Rheumatic and Neuralgic Affections, it has in many instances proved highly beneficial, and in others effected a decided cure.
This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.
It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect it finds its way to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.
NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.
CAUTION.
The great popularity of this delightful aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures
EVERY KIND OF HUMOR,
FROM
The worst Scrofula down to a common Pimple
He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over one hundred certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will clear the system of biles.
Two bottles are warranted to cure the worst canker in the mouth or stomach.
Three to five bottles are warranted to cure the worst kind of Erysipelas.
One to two bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two or three bottles are warranted to cure the worst kind of kind of ringworm.
Two or three bottles are warranted to cure the most desperate case of rheumatism.
Three to four bottles are warranted to cure salt-rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, Mass.
DEAR MADAM:—The reputation of the Medical Discovery, in curing all kind of humors, is so well established, by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skilful physicians and the most careful Druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative powers, in relieving all, and curing most of those diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother
NURSING SORE MOUTH,
is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessings to your husband and household.
In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE;
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip-joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases the
PILES.
How many thousands of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you an injury. Yours truly,
DONALD KENNEDY.

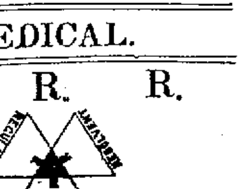
MEDICAL.

R. R. R.



THREE GREAT LIGHTS.
Mankind have long been engulphed in darkness, as regards the true means of securing health—ridding the human body from disease, and preserving life. The sick, under the fallacious treatment of the regular faculty, are subject to a continued practice of probabilities and uncertainties. There is nothing certain or fixed in the treatment of the sick either in the old or new school of medicine.
Dr. Radway has succeeded in producing three remedies—known to the world as Radway's Ready Relief, Renovating Resolvent and Regulator. These remedies are not only established facts, inasmuch as they have never yet failed in their special or combined efficacy in producing fruitful and beneficial results—but, they are facts establishing a science—as the have in all cases, "when tried," succeeded in restoring to health—and ridding the body from disease after all other medical treatment had failed—and the most skillful physicians had given up the sick as beyond the power of human means to cure—and pronounced the dreadful mandate—incurable.
Radway's Remedies are therefore fixed facts in the archives of medical science—they have been "often tried"—"never denied"—and are ready "to be tried again."
FIRST GREAT LIGHT.
RADWAY'S READY RELIEF.
As a Special Remedy to be used in all cases where the human body is seized with the torturing pangs or paroxysms of pain—no matter what the cause of the pain may be, or where it may be located—an application of the Ready Relief, either internally as a drink, or externally as an alleviator, will, in a few minutes, restore the afflicted body to ease and comfort.
In all cases of Bowel Disorders, Dysentery, Cholera, Bloody Flux, Sick Headache, and other Nervous Affections, Neuralgia, Rheumatism, Sprains, Strains, Tooth Ache, Burns, Scalds, Wounds, Shot Wounds, Bruises, Cuts Poisoning, either by the bites or stings of Reptiles, Insects or Vegetable or Mineral Poisoning by accident—in all cases and under all circumstances where the human system is tortured by Pain, Radway's Ready Relief can be relied upon as a quick, safe and certain Remedy.
In cases of Billiousness, Billious Fever, Typhus Fever, Ship Fever, Yellow Fever, Fever Ague, Scarlet Fever, and all malignant Fevers, Small Pox, Measles, Pneumonia, Radway's Ready Relief, used in connection with Radway's Regulators, will cure the positively sick, afflicted with those disorders, and protect the system against sudden attacks when either of these malignant diseases prevail.
SECOND GREAT LIGHT.
RADWAY'S REGULATORS.
The discovery of these wonderful pills establishes a new era in purgation, and a new principle in the science of medicine. In taking these pills no griping pains or sickness at stomach is experienced—they operate naturally leaving the bowels, liver and other organs in a natural and a healthy condition.
They insure those who take them a good appetite and healthy digestion.
Each pill that is taken gives new life to the blood—they purify it, take from it all impure deposits, and equalize its circulation.
One or two doses of Radway's Regulators will entirely remove all distressing symptoms of Dyspepsia, Jaundice, Nervousness, Indigestion, Costiveness, Liver Complaint, Billiousness, Melancholy, and will cure all organic diseases, either in man or woman. Ladies troubled with irregularities, or weakening discharges, may rely upon a prompt cure and Regular Periods, if Radway's Regulators are taken.
Every dose of Radway's Regulators that is taken instils new strength within the body of the weak, feeble and infirm. All who take are delighted with the happy change they experience in a few hours. The dispirited and melancholy feel joyous and happy; the sick and debilitated, strong and vigorous.
THIRD GREAT LIGHT.
RADWAY'S RENOVATING RESOLVENT.
Cures Humors' Salt Rheum, Scrofula, Ulcers, Nodes, Tumors, Fever Sores, Skin Eruptions, Blotches, Bronchitis, Dyspepsia, Gout, Dropsy, Syphilis, Consumption, Appoplexy, &c., and all constitutional and chronic diseases, either inherited by hereditary transmission or inoculated by exposure or otherwise.
There is no remedy in the world that will work such miraculous cures in old diseases as Radways Resolvent. It changes the whole human body—reproduces new and healthy blood.
Bleeding from the lungs—Radway's Renovating Resolvent will, in a few minutes, check Hemorrhage from the lungs or throat. In cases where the patient coughs up clots of blood or pus streaked with blood, Radway's Resolvent will soon remove the difficulty.
Sarah Hammond, of 186 East Thirty-second St., had a bad cough for two years, she coughed up sometimes half a pint of blood during the night. She was cured in seven days by the Relief and Resolvent.
A sore leg of 21 years, cured in three weeks, by Radway's Relief. Mr. T. H. Klige, a merchant of high standing in Dalonega, Ga., says: "that a gentleman, who for 21 years had been afflicted with a sore leg, that resisted every kind of treatment, was effectually cured in three weeks by Radway's Ready Relief, Resolvent and Regulators.
THE THREE GREAT LIGHTS
RADWAY'S RELIEF—REGULATOR—RESOLVENT.
In all constitutional diseases, and where the constitution is broken down, or the body in a rapid state of decay, or the system inoculated with the virus of disease, either by the violation of the laws of health, intemperance, excess and indulgence of the passions, or by hereditary transmission, as in cases of Scrofula, Consumption, Rheumatism, Gout, Fits and other heirlooms, which a long line of ancestry has so bountifully and richly bestowed on posterity, as a memento of the past, at the cost of the suffering inheritors. These Remedies, in their trinitary capacity, possess a curative power that no disease can withstand; their combined effect will eradicate from the living body every particle of diseased matter, renovate the whole system with health; *heal* the unsound, decaying lungs, or other organs; cleanse and purify the unclean from all impurities.
To the disabled wayfarer, who is crippled with infirmities—we invite you "to try" these remedies. We will vouch for their efficacy.
With many hundreds of others who have witnessed and felt the effect of the "Three Great Lights," and as they rule and govern those bodies which they are destined by the Almighty Power; so these three Remedies stand as Rulers, Conquerors and Grand Masters of all diseases.
